Description

This luxury 5 bedroom, 3 1/2 bath villa with a 30ft by 15ft screened pool and Jacuzzi, is close to Disney and all the attractions. The property boasts two full master suites and if you are looking for a stunning house, in a superb location, decorated and furnished by an interior designer to the highest standards, this is the villa for you!

The downstairs comprises the master suite with large walk-in wardrobe and bathroom and a twin bedded room. The large lounge with leather sofas is beautifully furnished and leads through to the dining area and kitchen with two breakfast bars. There is a cloakroom on this floor together with access to the games area and separate utility room.

Upstairs is another full master suite. There are two further bedrooms, one queen and one twin bedded and a full family bathroom. The upstairs landing looks down over the lounge area with its 18 feet ceiling.

All bedrooms and lounge areas have fans. Guests are provided with a high speed internet connection and wireless network. For younger guests the home comes with stair gates, crib/cot, highchair, bed bar and stroller which are available upon request at no charge. Everything you could possibly need is provided for you in this magnificent home.
